Executive Director Dr. Pankaj Shrivastava

Vishay kaushal India addresses the needs and concerns of school Educators and function as a one stop window for all the needs of the school.

Right from advising you on feasibility of your dream project, to actually getting it established till revenues start rolling in! Just read the small case below to get a clearer picture on what Vishay kaushal India can do for you. You have dream up a world-class educational institution. And you want this dream to be realized – fast, sure, cost- effectively and without disturbing you in your current engagements. Vishay kaushal India enters the scene. We develop the complete project plan – including viability and feasibility reports, 10 years projection, researched advice on statutory approvals and recognition, suggestions on grants and aids possible and a detailed Project Implementation Program.

- . We begin creating your Brand Identity and start subtle and discreet promotion of your institution among key stakeholders.
- . We strategically define education programs that are revenue-centric and yet unique and value-adding for the society.
- . We Quality education system curricula, design organization structure, faculty and staff, define academic quality parameters, and design administrative systems and processes.
- . We develop and implement strategic marketing and sales programs and help you conduct admissions for your very first session.
- . Your dream institution has started its life. Without the usual trials and tribulations In fact, we continue to remain associated with your institution and work on its brand and operations so that you can expand fast and successfully, if you want – say – by taking the franchising route. We actually handhold you throughout this complex expansion process. Of course, we are there to help you out in all other problems you may have in the running of your institution.
- . The uniqueness of our consulting firm is a total multiphase and multidimensional solution in the educational industry which none other in this sector provide. Also we assist our clients in each of the above areas by building a continuous lifetime relationship for managing existing as well as new educational institutions.
